Oh my ego, please, let go of me. Go away and let me be free!
Many times I worked so hard to get rid of you, but without result.

words: POM, free translation: MdJ

As long as I do not get free from you, I will not be able to show my true face.
You will understand, this is a pleasure for no one. So, go away and let me be free!
With humility I sit down on the dusty soil, and quietly lower my head and eyelids.
My thoughts are peaceful. In this silence you dissolve and I am finally free.
